***Check-off Required**

I, _____, acting as Pro Se counsel for myself, hereby acknowledge acceptance of the terms of Electronic Discovery with the Lynchburg Commonwealth's Attorney Office. **I agree that prior to requesting or receiving Electronic Discovery, I must file a Motion for Discovery and/or have a Discovery Order entered according to the Virginia Supreme Court Rule for the applicable court and procedural posture of the case. This Motion must be filed in a reasonable period to allow the necessary amount of time to fulfill such request prior to the next scheduled Court hearing date.**

In some cases, it may be necessary to redact some materials requested, through either visual and/or auditory means, due to the presence of personal identifying information, sensitive conversations or visualizations that are not pertinent to the case, (nor contain any exculpatory evidence), that may impact, affect or jeopardize the safety, security or privacy of victims, witnesses, or others, as well as possessions or property. Any redaction performed, does not affect the "Original" footage, which is maintained without redaction, and is available by seeking disclosure through a Court Order.

Although the Commonwealth is required to allow me to inspect exculpatory evidence, I agree that, with the exception of those materials described in Rule 3A:11(b)(1), the Commonwealth is not required to provide me with copies of any evidentiary materials or to allow me to copy any evidentiary materials.

In consideration of the Commonwealth providing me with access to the evidentiary materials, other than those described in Rule 3A:11(b)(1), I agree that, I will complete and sign this request form and I shall deliver the signed, original form, along with a valid ID, to the "Office of the Commonwealth's Attorney, 901 Church St Lynchburg, VA 24504". I realize that I will need to make an appointment, in writing, to review such BWC footage and that the Commonwealth Attorney's Office reserves the right to have an Office representative present as the BWC is being reviewed. I understand that while I have the right to take notes on the content of the BWC footage, I am restricted from recording such audio and/or visual footage in any fashion. Any copies required for submission as evidence to the Court, will be made by the Commonwealth Attorney's Office. The Commonwealth Attorney's Office will retain possession of such digital copied materials until submission of such materials to the Court, at which time I will provide a computer to play the DVD provided to me at trial, in part or in whole.

I understand that, although I may review my criminal and DMV records in the Commonwealth's Attorney's office, the Commonwealth Attorney is prohibited from giving me these records absent a specific court order.

I understand that certain discovery materials may be particularly sensitive, and that the Commonwealth is providing me access to materials other than those described in Rule 3A:11(b)(1), for my convenience. My failure to provide the information requested, or follow the procedures outlined above, shall result in the denial of my request to view the BWC footage.
